Creating Impact Through a Circular Economy

Anaerobic digestion in the sanitation value chain

Aart van den Beukel, 19/05/2021

safisana

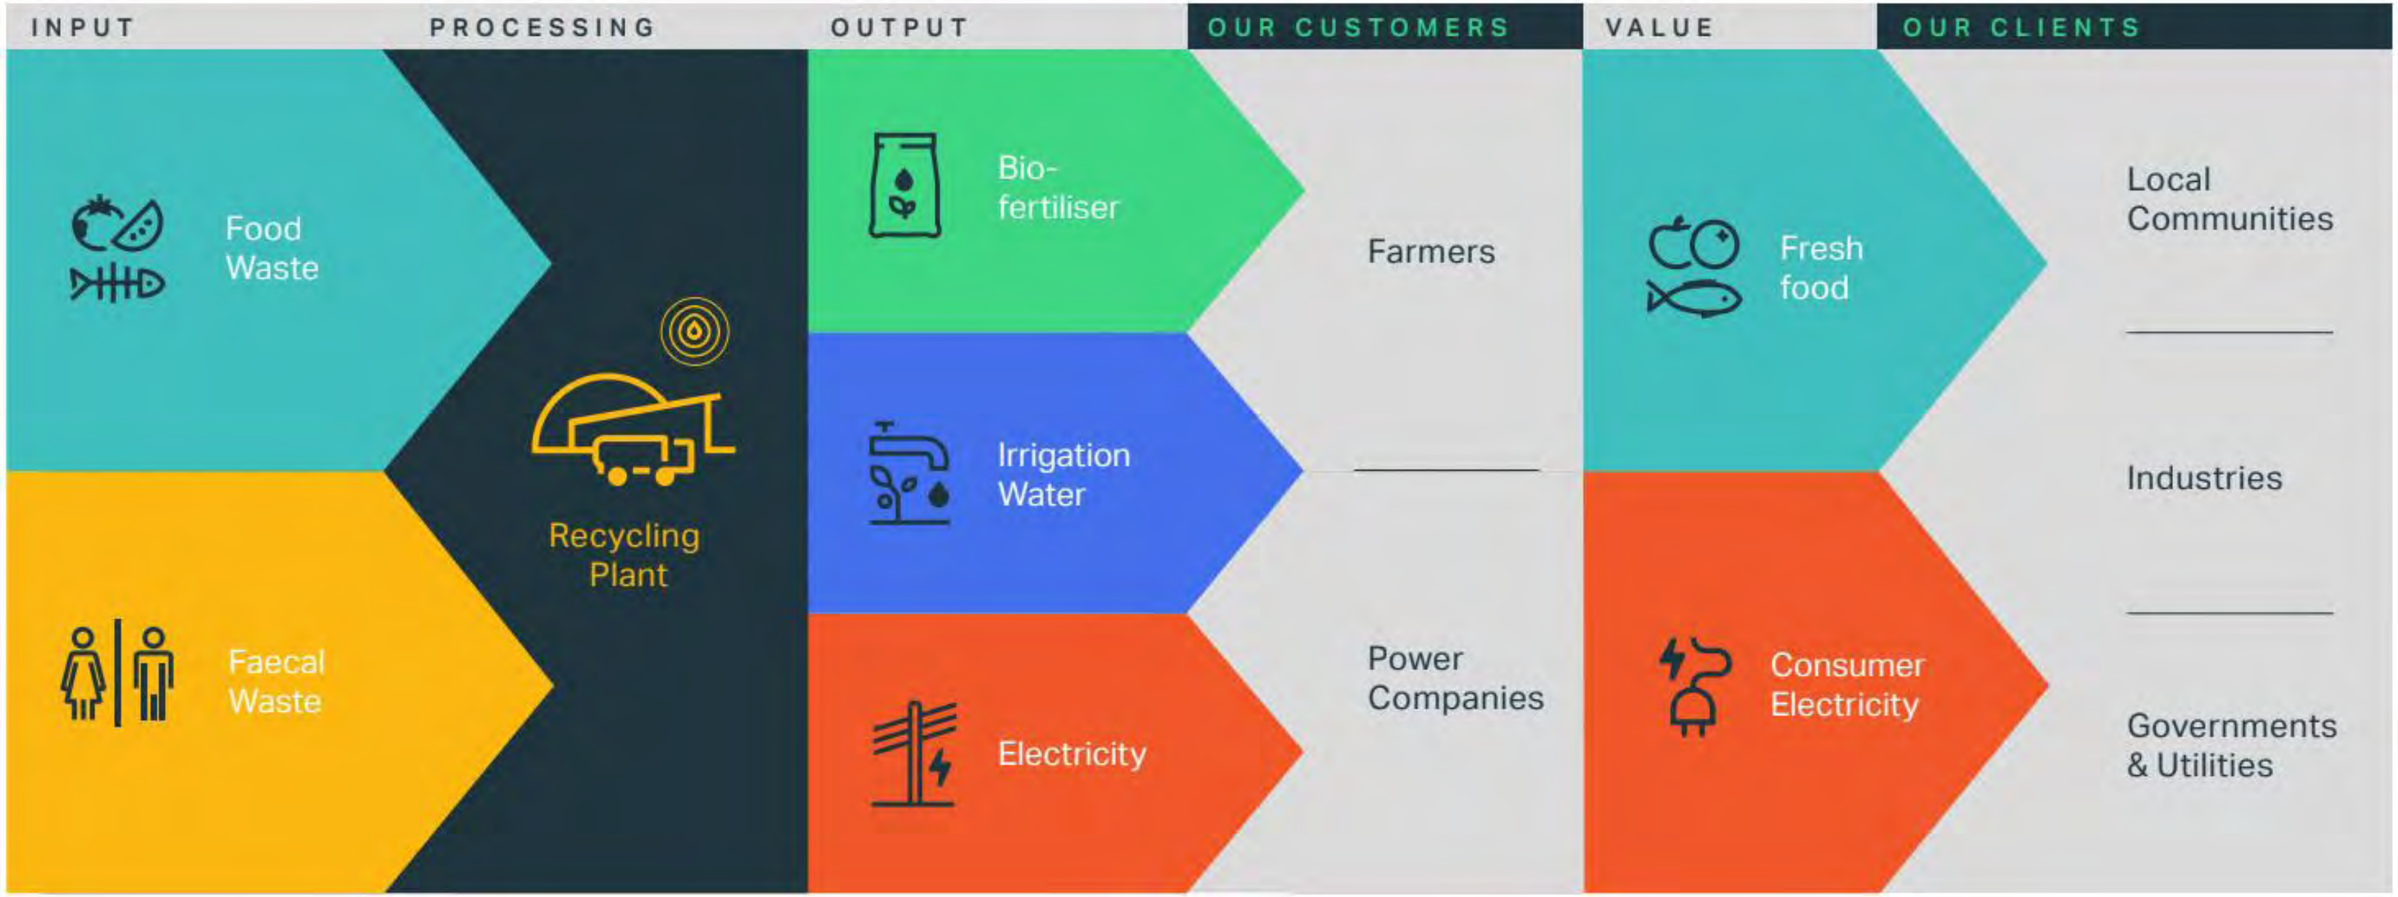
The problem

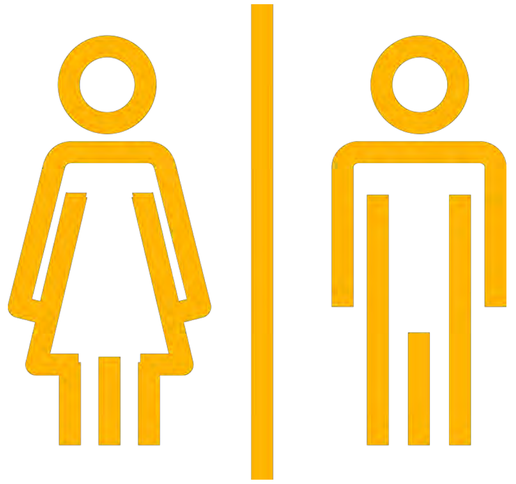
safisana

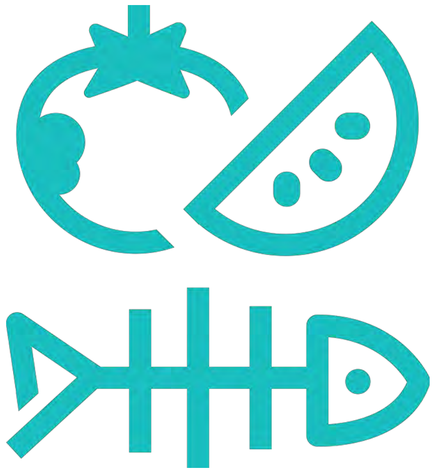
We offer
a holistic solution

safisana

An integrated service model







026-6156119
IVECO

compost packaging &
storage
30KG

MVO
fisana

safisana

Experiences

1. Scaling: know the market
2. Off take agreements: the PPA
3. Regulation: permits, certificates
4. Sourcing year-round
5. Building teams and skills

safisana

Lessons learned

1. Design, Build and Operate
2. Local ownership and buy-in
3. Keep it simple
4. Data support system for remote support
5. The people

Thank you!
